

Number of Repos: 46

Repos with Activities Count 29

Percentage 63.04347826086957

Number of Unique Activities Found: 16

enhancement request

Number of Repositories with Activity: 7

Percentage of Total Repositories with Activity: 15.217391304347828

Percentage of Repos w/ Activities with this Activity: 43.75

Percentage of Repositories with activity formally defined in a how to contribute artifact: 28.57142857142857

Percentage of repositories with a call to action for this activity: 28.57142857142857

documentation

Number of Repositories with Activity: 13

Percentage of Total Repositories with Activity: 28.26086956521739

Percentage of Repos w/ Activities with this Activity: 81.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 38.46153846153847

Percentage of repositories with a call to action for this activity: 38.46153846153847

internal optimizations

Number of Repositories with Activity: 1

Percentage of Total Repositories with Activity: 2.1739130434782608

Percentage of Repos w/ Activities with this Activity: 6.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 0.0

Percentage of repositories with a call to action for this activity: 0.0

discovery

Number of Repositories with Activity: 1

Percentage of Total Repositories with Activity: 2.1739130434782608

Percentage of Repos w/ Activities with this Activity: 6.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 0.0

Percentage of repositories with a call to action for this activity: 0.0

plugin requesting

Number of Repositories with Activity: 1

Percentage of Total Repositories with Activity: 2.1739130434782608

Percentage of Repos w/ Activities with this Activity: 6.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 100.0

Percentage of repositories with a call to action for this activity: 100.0

reporting issues

Number of Repositories with Activity: 1

Percentage of Total Repositories with Activity: 2.1739130434782608

Percentage of Repos w/ Activities with this Activity: 6.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 100.0

Percentage of repositories with a call to action for this activity: 100.0

code review

Number of Repositories with Activity: 1

Percentage of Total Repositories with Activity: 2.1739130434782608

Percentage of Repos w/ Activities with this Activity: 6.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 100.0

Percentage of repositories with a call to action for this activity: 100.0

bug report

Number of Repositories with Activity: 9

Percentage of Total Repositories with Activity: 19.565217391304348

Percentage of Repos w/ Activities with this Activity: 56.25

Percentage of Repositories with activity formally defined in a how to contribute artifact: 66.66666666666666

Percentage of repositories with a call to action for this activity: 66.66666666666666

#### security report

Number of Repositories with Activity: 1  
Percentage of Total Repositories with Activity: 2.1739130434782608  
Percentage of Repos w/ Activities with this Activity: 6.25  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 0.0  
Percentage of repositories with a call to action for this activity: 0.0

#### submit feedback

Number of Repositories with Activity: 1  
Percentage of Total Repositories with Activity: 2.1739130434782608  
Percentage of Repos w/ Activities with this Activity: 6.25  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 100.0  
Percentage of repositories with a call to action for this activity: 100.0

#### refactor

Number of Repositories with Activity: 1  
Percentage of Total Repositories with Activity: 2.1739130434782608  
Percentage of Repos w/ Activities with this Activity: 6.25  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 0.0  
Percentage of repositories with a call to action for this activity: 0.0

#### issue submission

Number of Repositories with Activity: 4  
Percentage of Total Repositories with Activity: 8.695652173913043  
Percentage of Repos w/ Activities with this Activity: 25.0  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 25.0  
Percentage of repositories with a call to action for this activity: 25.0

#### idea submission

Number of Repositories with Activity: 1  
Percentage of Total Repositories with Activity: 2.1739130434782608  
Percentage of Repos w/ Activities with this Activity: 6.25  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 100.0  
Percentage of repositories with a call to action for this activity: 100.0

#### proposals

Number of Repositories with Activity: 1  
Percentage of Total Repositories with Activity: 2.1739130434782608  
Percentage of Repos w/ Activities with this Activity: 6.25  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 0.0  
Percentage of repositories with a call to action for this activity: 0.0

#### feature suggestion

Number of Repositories with Activity: 1  
Percentage of Total Repositories with Activity: 2.1739130434782608  
Percentage of Repos w/ Activities with this Activity: 6.25  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 100.0  
Percentage of repositories with a call to action for this activity: 100.0

#### discussion

Number of Repositories with Activity: 2  
Percentage of Total Repositories with Activity: 4.3478260869565215  
Percentage of Repos w/ Activities with this Activity: 12.5  
Percentage of Repositories with activity formally defined in a how to contribute artifact: 0.0  
Percentage of repositories with a call to action for this activity: 0.0

## Participation Data

Number of Repos that Have Participation in their Alternative-Activity Labels: 39

Percentage of Repos that Have Participation in their Alternative-Activity Labels: 84.78260869565217

Repos with some variation of any of the following labels in the issue tracker [Enhancement/Request, Documentation, Bug Report]:  
43

Percentage: 93.47826086956522

Number of Repos with Enhancement Request Label: 42

Percentage of total repositories: 91.30434782608695

Number of Repositories with Participation in Enhancement Requests: 42

Percentage of Repositories (that have an enhancement label) with Participation in Enhancement Requests: 100.0

Number of Repos with Documentation Issue Label: 25

Percentage of total repositories: 54.347826086956516

Number of Repositories with Participation in documentation label: 25

Percentage of Repositories (that have a documentation label) with participation in enhancement requests: 100.0

Number of Repos with Bug Report Label: 43

Percentage of total repositories: 93.47826086956522

Number of repositories with participation in bug report label: 43

Percentage of repositories (that have a documentation label) with participation in bug report: 100.0
